

ELECTION**I. Election of Species**

In response to the Office Action of December 8, 2005, requiring election of a single disclosed species, the Applicant elects Species II of Fig. 6. Claims 1-13, 15, 16, and 25-32 read on Species II. Claims 14 and 17-24 are withdrawn.

II. Election Traversed

Notwithstanding this election, the Applicant respectfully traverses the Examiner's indication that no pending claim is generic. The Applicant submits that at least claim 1 is generic, as this claim comprehends within its confines the organizations covered in each of the species I, II and III (Figs. 5, 6 and 7, respectively). Reconsideration of the election requirement is requested.

Respectfully submitted,
JONES DAY
